## Welcome to Preschool – K'ton ton (2s) Transition Schedule

Welcome to the PJCC Preschool! Your two year old is about to begin a new and exciting journey of preschool life. For most children this will be a new experience. To assist the children (& parents) in getting used to all the new elements of preschool we will ease them into their experience. Below is a schedule for the first week of school. For most of the children this will be their first group experience. Transitioning children slowly into the program is best for everyone! Some parents may be able to leave easily. Some children may take a little longer to separate and adjust. We will communicate with each family individually to decide what works best for you and your child. Please make note of the specific dates and times your child will be attending school.
