**Water Babies — Ages 6 – 36 Months**

This interactive class is designed for babies to become comfortable swimming independently in and under the water by working together with their parents in the pool. Babies will learn to be relaxed while floating independently on their backs and swimming with their eyes down for a distance of three to five feet. They will also be introduced to pop-up breathing. **This is a parent-child class.**

**Water Wigglers — Ages 2 – 3 Years**

Children will work independently from their parents and master pop – up breathing. They will also learn how to do “big arms,” in which children learn to use their arms while swimming on their front. They will learn how to be comfortable kicking on their backs and how to complete an unassisted turnaround swim.

**Successful completion of Water Babies required. This class is without a parent.**

**Tadpoles — Ages 3 – 5 Years**

For children who are beginner swimmers or nervous in the water. Children will learn submersion and back floats while learning how to feel safe in the water. The foundation of streamlining will also be introduced, in which children learn the proper basic body position for all strokes.

**Frogs — Ages 3 – 5 Years**

For children who are comfortable in the water and are now ready learn the basics of freestyle, backstroke and streamlining, in which children learn the proper basic body position for all strokes. Successful completion of Water Wigglers or Tadpoles is required before enrolling in this class.

**Guppies — Ages 3 – 5 Years**

For children who are able to swim free and backstroke over a short distance and are now ready to learn freestyle side breathing, in which children learn to start breathing to the side while swimming. Successful completion of Water Wigglers or Frogs is required before enrolling in this class.

**Tiger Barbs — Ages 3 – 5 Years**

For children who know the backstroke and freestyle with side breathing to the preferred side, and are now ready to learn freestyle side breathing to the non-preferred side, butterfly and breaststroke kicks. Successful completion of Guppies is required before enrolling in this class.

**Puffers — Ages 6 – 12 Years**

For children who are beginner swimmers or nervous in the water. Children will learn

submersion and back floats while learning how to feel safe in the water. The foundation of streamlining will also be introduced, in which children learn the proper basic body position for all strokes.

**Gobies — Ages 6 – 12 Years**
