

## Indoor Fitness Reopening 10/5/20

Dear PJCC Fitness Family,

We have terrific news to share: Our collective patience has been rewarded — **we are authorized to OPEN INDOOR FITNESS on Monday, October 5, 2020!**

**We are thrilled to welcome you back to the Center for in-person fitness!**

**Please click the button below to reactivate your membership beginning in October 2020.**

**YES! Reactivate My PJCC  
Membership**

### SAFETY & WHAT YOU CAN EXPECT

Yesterday it was announced that San Mateo County has been downgraded to the red level for COVID-19 cases, by the State of California. This means that we will reopen indoor fitness for members 13+ years old. Indoor fitness includes cardio and strength training equipment as well as some low-impact indoor group exercise classes. High-impact classes will remain outside at our Functional Fitness Park.

Upon entering the Center, the temperature of all members and staff will be scanned by a posted, no contact infrared thermometer.

**Masks are required indoors at all times, without exception.** Masks must be worn outdoors, except when swimming or while maintaining six feet of distance when working out.

**Safety is our highest priority.** Indoor fitness equipment will be cleaned by staff before and after each use, and we ask members to do the same. PJCC uses sanitizing solutions and wipes with a minimum 70% alcohol content and that meet and exceed CDC recommendations. Very importantly, in between member reservation times throughout the day, the indoor areas of the Center will be sanitized by electrostatic spraying.

**We will continue to offer members valuable virtual content with your favorite trainers and instructors** so that those who prefer to exercise remotely — or who want a hybrid experience of fitness in the Center and at home — will have access to effective, fun online fitness.

Members will be able to [make online reservations via MINDBODY](#) and the PJCC App beginning October 2, for in-person workouts — including individual fitness, Group Exercise classes, small group training, personal training, and lap swimming.

**[Comprehensive reopening information is available on our website.](#)**

**YES! Reactivate My PJCC  
Membership**

**If you reactivate your membership, we will resume billing your monthly membership dues again starting October 2020.**

**If you take no action (you do not reactivate your membership through the button above), you will remain on your current freeze through December 31st and you will NOT be billed.**

Please note that when indoor fitness reopens, **we will NOT be authorized to reopen the indoor swimming pool. The outdoor pool will remain available for lap swimming for members 13+ years old.**

**We cannot wait to welcome you back INSIDE the Center next Monday! See you soon.**

With appreciation for your unwavering support,

Paul Geduldig, Chief Executive Officer

Seth Hazen, Chief Wellness Officer
